This is a complex anatomical illustration from a historical medical manuscript. It depicts several internal organs and structures, each labeled with a letter or number. At the top left, there's a small organ labeled 'A'. Below it, a larger, more complex structure is labeled 'B' and 'C'. To the right, a large, circular organ is labeled 'D'. In the center, there's a smaller organ labeled 'E'. Below 'E', there's a structure labeled 'F'. On the far left, a vertical column of text lists labels: 'G', 'H', 'I', 'K', 'L', 'M', 'N', 'O', 'P', 'Q', 'R', 'S', 'T', 'U', 'V', 'W', 'X', 'Y', 'Z'. These labels are connected by lines to specific parts of the anatomy. The drawing is done in a fine-lined style typical of early modern scientific illustrations.
